## **Wiyot Tribe Will Partner Once Again with Local Agencies for Earth Day Cleanup Event – Saturday, April 20<sup>th</sup>**

This year, the Tribe has partnered with Humboldt Baykeeper and Humboldt State University's (HSU) Humboldt Bay Aquatic Center to provide you with all the necessities (kayak, life vest, wetsuit, trained guides) to paddle out to Indian Island, where we'll remove trash that has washed up or blown off the Samoa Bridge. Five years ago, the Tribe, Humboldt Baykeeper, and Humboldt State University's (HSU) Humboldt Bay Aquatic Center began a collaborative effort to clean up the shores of Indian Island near *Tuluwat* and *Etpidohl* for Coastal Cleanup and Earth Day. In recent years, other partners including Coast Seafoods and Hog Island Oyster Company have joined the team and provided much needed boat support to unload the near 10,000 pounds of solid waste that has been collected to date.

Every year, community volunteers gather at HSU's Humboldt Bay Aquatic Center for an introductory talk about the cultural significance of the island to the Tribe, past remediation projects, and future efforts undertaken by the Tribe. Baykeeper and other partners provided additional information on bay-wide projects and cleanup efforts, a safety talk was given by Humboldt Bay Aquatic Center staff, and then everyone ventured on a 20-minute kayak tour to Indian Island. Once at the site, Natural Resources Director, Tim Nelson provided information related to departmental activities centered on solid and hazardous waste cleanup and environmental remediation and restoration on the island before volunteers set out to gather debris.

Over the years, the group has collected over 2,000 pounds of solid and hazardous waste in a single event! In conjunction with these cleanups and other efforts performed by the Tribe (e.g., homeless camp cleanups), the amount of trash collected in the past year was the lowest amount ever collected by the group (~200 pounds). This small amount of trash just proves that our continued efforts are having a big impact on the overall solid waste around Indian Island. The Tribe would like to thank Humboldt Baykeeper, Humboldt Bay Aquatic Center, Coast Seafoods, Hog Island Oyster Company, and the numerous volunteers that have helped to keep Humboldt Bay clean!
