Shelter in Place order Extended

On March 20, 2020 The Wiyot Tribe issued a shelter in place order for the residents that reside on the reservation. Table Bluff Reservation is closed, only open for Tribal business and residents due to the novel Coronavirus COVID-19 global pandemic. The shelter in place order was extended to June 30, 2020. While the office is closed to the public we are still operating Monday through Friday 8am-4pm.

The Tribe still continues to operate essential programs and maintain infrastructure for the Wiyot Tribe. Due to the Tribal Office being closed for shelter in place Ted Hernandez and Aaron Stephenson were sworn into their elected positions practicing social distancing they were sworn in separate.

We remain hopeful and wish every Tribal member the best during these difficult times.

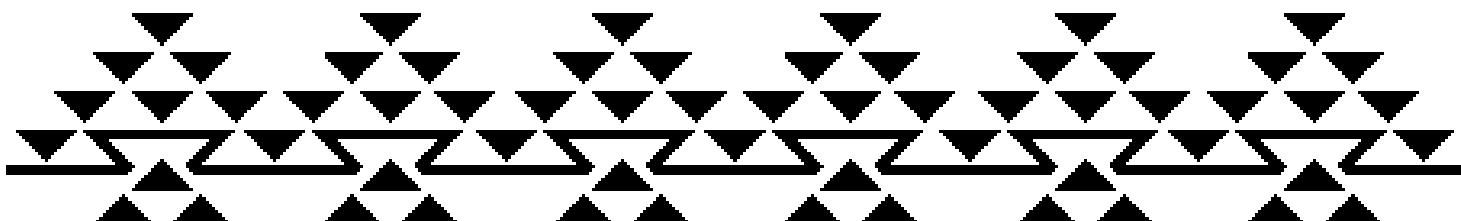

We are in this together and doing our part to stop the spread of COVID-19 the Tribal Office will remain closed to the public through the end of June and will re-elevate guide lines to re-open at that time, if you are needing assistance please call the appropriate staff at the Tribal Office 707-733-5055.

Ted Hernandez
Tribal Chairman
(2020-2024)

Essential Workers

To the right we have **Betty, Mariah and Margaret** from Laqilh Haluni assembling food boxes for our elders. This food was provided through disaster food assistance program through the US department of Agriculture, administered through a Wiyot/Yurok partnership with the Yurok Food Distribution center.

To the left is **Margarett** in the driver seat and **Kathleen** from Tsek Houdaqh, **Ted** Cultural Director and **Lisa Stephenson**, Enrollment Coordinator loading up the van for deliveries of breakfast, lunch and homework to children on reservation. Thanks !

Again on the right is **Margaret, Fawn** and **Betty** preparing lunch for delivery to some of our most vulnerable population. (our elders) Great work!! Serving breakfast and lunch daily

Thank you!

The Title VI Program has adopted a new name to reflect a more meaningful name for our program and who our program serves. Our new name is **The Laqilh Haluni Program**, Laqilh in Wiyot literally means Sensible one, old person or elder. Halini means Treasure or valuable. It was important for us that such a meaningful program has a more personable name for our members.

The Laqilh Haluni Program would like to thank The Humboldt County Area 1 on Aging for donating boxes of shelf stable meals for our program. Our staff has already begun dispersing them, as well as delivering daily meals. We would also like to send a huge thanks to Bear River Band of the Rohnerville Rancheria and The Humboldt Area Foundation for \$1,000.00 grants to help purchase items for elders that we could not purchase with Title VI funds. We are so grateful for the community's support during these uncertain times. If you are an elder/caregiver in need of assistance, please contact Betty or Mariah with The Laqilh Haluni Program at (707) 733-5055 ex 120 or 124

If you prefer, you can fill out the survey by hand using the form below, and snail-mail it to us at Wiyot Language Program, Wiyot Tribe, 1000 Wiyot Dr., Loleta CA 95551

ROU SOULATLOUY LANGUAGE SURVEY:

What kind of topics would you like to be able to speak about in Wiyot?

For example, in past workshops we have gotten suggestions (and have created draft conversations in Wiyot) about weather, sports, food, games, family, etc.

What are some words you would like to learn in Wiyot?

For example, past workshop participants have asked how to say "cake", "car", "present", "pneumonia", "kiss", and "husband" in Wiyot.

What are some phrases or questions you would like to learn in Wiyot?

For example, past workshop participants have asked how to say "Have fun," "How old are you?", "Happy birthday," "Where's my pillow?" and "I'm going to the doctor" in Wiyot.

OTHER: Please tell us any other comments, questions, or suggestions you have about the Wiyot language or the Rou Soulatlouy Wiyot conversation book project.

Our Culture is a living spirit that must continue to thrive. Our generation must carry on with the traditional ways and the stories from our elders and ancestors that have gone before us.

The Cultural Department has completed the sashes and necklaces and shipped them out to the graduates. **We would like the graduates to email pictures wearing the sashes and necklaces so we can submit them in the next newsletter and Facebook page. You can email them to hazel@wiyot.us** we are also working on Native Cultures Grant for Dugout classes at the moment we are waiting to hear back from them it should be by late June, we are also getting things ready for dress making class once the covid-19 pandemic is over we will be sending out fliers along with sign up sheets for the dress making class.

The Cultural Department is sadly to inform the public due to the COVID-19 PANDEMIC this years Wiyot Day is cancelled. This was a hard decision to make but it is in the best interest and safety of the community to do so. The cultural department continues to pray for good health and safety for the community during these hard times. The cultural department would still like to honor and celebrate our elders and veterans we are working getting kits together to send out to our elders

Departments:

The language department:

Also check out the Wiyot webpage under the language section for the Rou Soulalouy page. The language page also has words that you can hear or even scan with a bar code reader on your phone, learn a new word a week. Remember that language is important to the Wiyot Culture.

Tsek Houdagh Youth Program:

Tsek Houdagh has been doing a great job in making sure our youth is getting their homework packets and meals delivered to them during this difficult time.

We will make our tutor available by phone if your children need assistance with homework. They can contact Margaret Card at Tsek Houdagh (707)733-5055.

Submitted By: Eddie Koch

Greetings from the Natural Resources Department, as we end another week of Covid-19 related quarantine we remain hopeful that we will return to a sense of normalcy very soon. Until then, we have been working on a number of different projects and grant opportunities as we move closer to summer. One of which involves the WNRD's Wiyot youth environmental education program. Usually every summer the NRD will take one day a week to teach an environmental lesson to the Tsek Houdaqh youth center which includes games, activities and field trips to give the students hands-on experience with that week's environmental lessons. However, considering the quarantine and social distancing measures the WNRD has had to take a much different approach from the in-person group presentations. We're reworking our curricula to give students the opportunity to learn about natural resources and environmental education from home. We're excited for summer and for the opportunity to learn new ways of teaching. The NRD is also working closely with other agencies and partners to begin the design process for TBR future compost facility to move towards helping the community participate in waste characterization and decrease the amount of landfill waste. The NRD is also hoping to get additional funding to continue a field study from summer 2019 on the South Fork Eel river studying pikeminnow for this coming summer.

Though things may seem scary uncertain at the moment, better days are ahead. We're looking forward to longer, warmer summer days and an eventual return to normalcy. We will get through this, together.

Congratulation's to the class of 2020!!!!

In this very challenging time of distant learning and having to adapt to a new way of learning you made it!!!! Wishing each and everyone of you a year of blessings and success on your new Journey in life!
