

The Da'luk

In Loving Memory of Velva Angell

Velva Angell passed from this earth on Aug. 14, 2021 at the age of 92. She was proud of her Native American heritage as she was Wiyot, Yurok and Wintun Indian. Velva was born in Eureka, California on April 5, 1929 to her parents, Elizabeth Logan Cooper and Henry Clay Cooper. She attended and graduated from Eureka High School. Shortly after graduation, Velva moved to San Francisco to attend and graduate from California Beauty School.

Velva met and fell in love with the love of her life, Lucius "Bud" Angell III, while he was on shore leave as a sailor in San Francisco. They were married on Feb. 8, 1948, at Christ Episcopal Church in Eureka. Together they raised three sons: Lucius "Bud" Angell IV (Betsy), Bruce Steven Angell and Paul Douglas Angell. They welcomed their niece, Cindy Dunlap Dutra (Dave), into their home after the death of her mother, and raised "their girl" as their own.

Velva worked for and retired from Eureka City Schools. She first worked as a noon monitor at Alice Birney Elementary School and later as a classroom aide at Jacobs Junior High School. She served for many years, with great pride, on the Board of Directors of the United Indian Health Services as the Table Bluff, Wiyot Tribal Representative.

An extremely talented seamstress, she sewed many outfits for her children. School clothes, dresses for dances, cheerleading outfits and formal wear were all sewn with love and an eye for detail. Later, her handiwork was evident in the pine needle baskets she wove, the hand stitcheries she proudly shared with others and the many crocheted caps she made for the premature babies at St. Joseph Hospital.

Velva had four grandchildren: Elaine Angell, Eric Brunton (Taunya), Aaron Brunton (Joy) and Tabatha Leady (Matt), 11 great-grandchildren and 1 great-great grandchild.

Velva was preceded in death by her beloved husband Bud Angell, her son Bruce Angell, her brother Henry Clay Cooper, as well as her three sisters Roberta Cooper Martin, Carole Cooper Koch and Marilyn Cooper Dugan.

Da gou rou louwi' Cultural Center Update

Our building is located at 417 Second Street, Eureka. Watch our monthly Newsletter for ongoing updates!

It was with a heavy heart that we had to decide to postpone the grand opening of the Da gou rou louwi' Cultural Center. Due to the rise in Covid cases locally, we decided to have a small blessing ceremony. We will work together to plan a larger celebration in the future, when it is safer to gather.

Watch the Tribe's website and social media pages for more information and details. We hope you can join us in celebrating and dedicating the Cultural Center soon.

While we wait to open, we are developing exciting programming at the Cultural Center. Much of which will be accessible via livestream events. This way, you can join wherever you live in the world.

This is our space to come together to build community, learn from each other, speak Soulatluk, and perpetuate our cultural practices while learning from our shared history - no matter where you live in the world. Virtual programming will be an ongoing feature of the Cultural Center so that people who live near and far will have the opportunity to learn and interact with other Wiyot people.

Da gou rou louwi' "the ongoing return of all" (lit. 'continuous again all the returning')

If you have questions about our Cultural Center or would like more information beyond what I provide in our Newsletter, please do not hesitate to reach out to me at matkins@wiyot.us or (707) 733-5055.

Da gou rou louwi' Cultural Center Call for Art

IMPORTANT PLEASE READ!

I am looking for Native artists to develop artwork to be used on the website and all social media for the Da gou rou louwi' Cultural Center. If you are interested in discussing this topic, please do not hesitate to reach out to me and I will send you a Call for Art Submission form with more information. Wiyot artists preferred, but we will accept art submissions from local area tribal peoples, too. Please contact me for more details at matkins@wiyot.us or at (707) 733-5055.

WANTED

Do you know how to weave (medallions, baskets, fishing nets, etc.)? Make eel hooks? Do you know how to gather plants for weaving, food, and/or medicines? Are you a storyteller that would like to mentor others in storytelling? Maybe you know some of the history of the Wiyot People and Tribe and want to share it with others? Are you a song maker and would like to mentor other song makers? Have you made regalia, dresses, and other ceremonial and/or dance items and would you like to teach others? Maybe you are an inspired jewelry maker and want to teach others?

If you answered “hi” (yes) to any of these questions, the Da gou rou louwi' Cultural Center needs you and your expertise! We are looking for teachers and mentors who have traditional cultural knowledge and/or traditional ecological knowledge to share with others. All levels of experience and ages will be taught through small workshops. Some workshops will be more intensive than others and may include a series of workshops to better convey the knowledge you wish to share. In some cases, we will offer honorariums for your gift of knowledge.

Questions or want more information? Please contact Marnie at matkins@wiyot.us or at (707) 733-5055. Hou' and I look forward to hearing from you!

The Da gou rou louwi' Cultural Center Staff want to hear from you!

Please take a few minutes to fill out the Take the Da gou rou louwi' Cultural Center Survey. We want to hear your thoughts about the Cultural Center and how you want to see the space utilized.

Table Bluff Water System Update

Table Bluff Reservation water system is running smoothly. Both wells are being used and we are currently tracking the drawdown at Well 2. We are taking routine water samples at the beginning of every month to North Coast Labs in Arcata. They are testing for the Presence/absence of any pathogens or chemicals. We had a small hole on the water tank repaired. We are working to schedule a tank cleaning for this winter. Another reminder for everyone, California is in an extreme drought. Residents please be mindful of your water usage.

Reservation Wetland wells

The NRD checks the wetland biweekly. We measure the water level and test the water using our EXO Sonde.

Tests include:

Conductivity/Temperature

Dissolved Oxygen

ISEs (Ammonium, Chloride, and Nitrate)

pH

Turbidity

Salinity

Both wells were sampled in 2019 for chemical parameters including, priority metals, fecal chloroform, and E.coli. The tests the last couple months has showed the water level decreasing causing more turbidity in the water. The water level is about 55in from the surface, which is 5in from the bottom of our well. This goes to show how severe this drought is.

Some historically observed impacts of severe to extreme droughts:

Trees are stressed; plants increase reproductive mechanisms; wildlife diseases increase

Livestock need expensive supplemental feed, cattle and horses are sold; little pasture remains, producers find it difficult to maintain organic meat requirements

Federal water is not adequate to meet irrigation contracts; extracting supplemental groundwater is expensive

Fire season lasts year-round; fires occur in typically wet parts of state; burn bans are implemented

Water sanitation is a concern, reservoir levels drop significantly, surface water is nearly dry, flows are very low; water theft occurs

Water conservation rebate programs increase; water use restrictions are implemented; water transfer's increase

Wells and aquifer levels decrease; homeowners drill new wells

Water is inadequate for agriculture, wildlife, and urban needs; reservoirs are extremely low; hydropower is restricted

Fish rescue and relocation begins; pine beetle infestation occurs; forest mortality is high; wetlands dry up; survival of native plants and animals is low; fewer wildflowers bloom; wildlife death is widespread; algae blooms appear

Wiyot Tribe Community Advisory Committee

Join us for our October Community meeting. We will be having guest speaker Gabriel Rossi, Postdoctoral Researcher,

Shawir Darrudaluduk “We Belong to the Wilderness”

Submitted By: Adam Canter

UC Berkeley and California Trout Coastal River Ecologist.

Gabe will be presenting the work he and Berkeley researchers are doing in the Eel River estuary and in the South Fork Eel River

CAC Meeting posted on the Tribe’s website (<https://www.wiyot.us/>) and the Wiyot Tribe Natural Resources Facebook account.

The purpose of the Community Advisory Committee (CAC) is to improve and promote communication between NRD and Tribal staff, Tribal membership, Tribal partners and collaborators, and various agencies that create policies and manage lands within Wiyot Ancestral territory. The WNRD recognizes the importance of participation and buy-in from Tribal membership and wishes to increase communication between the department and Tribal members.

For residents on Table Bluff Reservation:

We had Steve’s Septic come and pump the septic tanks late august. We had an overwhelming amount of solid build up in the tanks. These problem items in our sewage can cause significant and costly issues in our septic system.

A reminder of items that you can NOT flush:

- Wipes (not even “flushable”)
- Feminine products
- Paper towels
- Rags
- Cotton balls, rounds, or swabs
- Bandages
- Diapers
- Cigarettes butts
- Plastic
- Grease, fats, other oils

Toothpaste Tubes

This is not a complete list, just a small general guideline.

Please be mindful and help us take care of our water and wastewater system.

Wiyot Natural Resources Department Pikeminnow Project update

The continuation of the department’s PCSRF (Pacific Coastal Salmon Recovery Fund) grant project, in which the NRD is testing multiple methods of population suppression on the invasive Sacramento Pikeminnow, began mid-June and will continue into late September, potentially doing some work through November. The NRD staff is working alongside colleagues from Still Water Sciences, and volunteers from differing agencies and the greater fisheries community, to collect data on pikeminnow population estimates, removal and population suppression methods and predation on native fish. Methods of population suppression for the invasive Pikeminnow include boat electro-fishing, seine and fyke netting, baiting trapping, traditional angling, and night dip netting. The 2021 and 2022 field seasons will be the biggest efforts put towards this specific project since it’s proposal, and we hope that the data collected during these two years will shed even more light on the distribution and population of Pikeminnow in the South Fork, as well as native salmonid predation by the invasive population.

The NRD team has wrapped up Electrofishing. We have started seine and fyke netting, and traditional angling. We will also be tagging any large pikeminnow we catch with these other methods.

We are now trying to tag fish south Indian creek past Leggett and to the Angelo Reserve.

We are deploying Acoustic tags in the larger pikeminnow we catch. Each tag has a unique code associated with the specific fish and location. We must anesthetize the fish, measure, and place it in a piece of pvc as we prepare to insert the tag. We have a water drip on the fish as we make a small incision to insert the tag in the belly. We then suture the incision up and place the fish in a recovery tote to be sure they are healthy to release.

Our plan is to recapture the tagged Pikeminnow to monitor their movement throughout the Eel River.

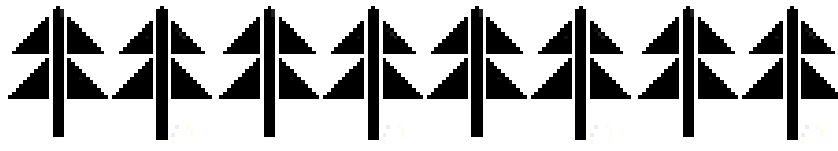

We will continue to update the Tribal community on the PCSRF project status, and all relevant data will be shared to the Wiyot Tribal Community website once the project season is completed.

Table Bluff Residents please be mindful of your water usage. We are averaging 10,000 gal per day. **California is in an extreme drought.**

We are monitoring the drawdown of the wells. The usual static level was ~70 ft, we are at ~86ft now.

Ways to conserve water inside

- ✚ Install Aerators
 - Can save 1.2 gal per day
- ✚ Install High Efficiency Toilets
 - Can save 19 gal per day
- ✚ Keep Showers under 5 minutes
 - Can save 12.5 gal per shower
- ✚ Fix Leaks! (Toilets, faucets, pipes)
 - Can save 110 gal per month
- ✚ Turn off water when brushing your teeth or shaving
 - Can save 10 gal per day
- ✚ Wash full loads of clothes and dishes
 - Can save 10-45 gal per load

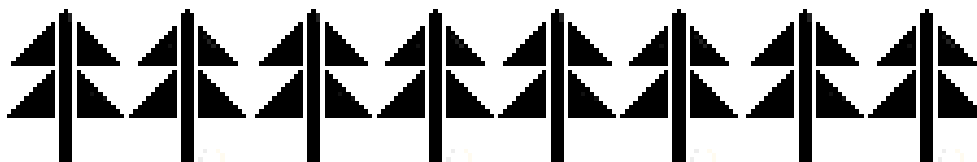

The wells are not recharging to the historical capacity or rate. We are concerned, we do not want our wells to run dry.

We urge residents to refrain from watering the grass and please try to use less water.

Ways to conserve water outside

- ✚ Plant water wise and native plants
 - Cacti, moss, etc.
- ✚ Use a broom to clean outside (not pressure washer)
- ✚ Use mulch
- ✚ Set mower blades to 3"
 - Encourages deeper roots, can save 20-30 gal of water per 1000 ft²
- ✚ Adjust sprinkler heads and fix leaks
 - Saves 12-15 gal. A leak as small as the tip of a pen can waste 6,300 gal per month!

Do Not water your grass!

HOU'

Wiyot Citizen, James Holdner, worked with the Department of Fish & Wildlife to bring a deer for the Elders. He and mother, Diane Morgan, generously donated their time to butcher and package the meat. HHS Staff, Peggy Orcutt, Alicia Morgan and James Paguia, made the deliveries to the Elders.

Elder Meal Program Update

The Elder Meal Program got a new piece of equipment last month—a meal tray sealer. This allows the meals to be sealed, trapping heat and helping our meals be delivered at closer to its intended temperature. We are also using insulated tray carriers with an electronic heating element, also helping keep hot meals hot upon delivery.

These new tools were purchased through CARES Act funds by the Health & Human Services Department. Any enrolled Native American Elder (age 55+) who lives within 25-miles from Table Bluff Reservation, can apply for this program. Please call Alicia at the HHS Dept. for more information at 707-733-5055.

WIYOT TRIBE **EMERGENCY RENTAL ASSISTANCE PROGRAM**

We are proud to announce our own Emergency Rental Assistance program to assist Wiyot households during this pandemic.

This program is to alleviate the costs of rent and utilities if not explicitly a part of your rental agreement, including energy, water, garbage, and home telephone-Internet (*not cellular service*). This program is for those who pay rent, not those who pay a mortgage or own their home. Due to the nature of the program and emergency if you are already evicted or homeless having prior resided in a rental property this program can support a new rental or short-term hotel stay until you find a new residence.

To ensure that we meet the needs of the most citizens, we have an annual (12 months from first award) cap of \$1,500.00 per household.

A qualified applicant must:

- Be an enrolled member of the Wiyot Tribe, Table Bluff Reservation;
- Have one or more individuals within the household who has qualified for unemployment benefits or experienced a reduction in household income, incurred significant costs, or experienced other financial hardship due, directly or indirectly, to the COVID-19 outbreak;
- Be obligated to pay rent on a residential dwelling or be already evicted/homeless; and
- the household has a household income at or below 80% of area median income (ex. as of 2021 median annual household income in Humboldt is \$62,151).

To successfully apply, the application must be completed and have attached the required documents as indicated. Documentation cannot be dated no earlier than March 13, 2020.

If you are currently renting, payments will be made directly to the landlord. Ensure that the landlord contact and mailing information is provided in the application. A landlord may also apply on behalf of the household.

This program will accept applications until the deadline of September 30, 2025, or until funds have been exhausted, whichever comes first.

Gutswurrak da rou da'louy **("There Are a Lot of People Gathered There** **and They Are Talking")** **Domestic Violence Advisory Board**

We are looking for interested Wiyot Citizens to be a part of a DV Advisory Board. The goal of the committee is to bring forth ideas and solutions to the Health & Human Services Department to increase and improve safety for victim's of domestic violence in your communities. Meetings will be held at the Community Center at Table Bluff Reservation, 1000 Wiyot Drive, Loleta, CA 95551 once a month on a Thursday from 5 PM to 6 PM. Counseling Intern, Jennifer Boak, will be overseeing the meetings. The first meeting date will be determined by interest. Interested participants will go through an application and background check to ensure the intent of the board and safety of the members. For more information and to sign-up, call Robert at the HHS Department at 707-733-5055.

PG&E Energy Support **CALL 1-800-933-9677**

- Relief for Energy Assistance through Community Help (REACH) Program offers one-time financial assistance to qualified customers with past-due bills. Arrearage Management Plan (AMP) offers up to \$8,000 in unpaid balance forgiveness, if a customer is enrolled in the California Alternate Rates for Energy Program (CARE) or Family Electric Rate Assistance (FERA) Program (FERA)
- Payment Arrangement Plans offers flexible payment plans to spread balance out, up to 12 months or choose an extension allowing full payment later.
- Medical Baseline Program. Customers who have special energy needs due to qualifying medical conditions can receive a lower rate on monthly energy bills.

Friendly reminder to come and vote October 2, 2021

Due to the Federal Emergency due to COVID –19 pandemic the Semi Annual Meeting will be modified to meet the requirements of the Community Mitigation .

Wiyot Tribe
Semi-Annual Meeting
October 2nd
Polls open 10 am-1 pm
Agenda

- I. Call to order
- II. Approval of Minutes:
 - a. Semi-Annual October 3rd, 2020
 - b. Annual Meeting April 3rd, 2021
- III. Staff Reports:
 - d. Da Rou Gawk Administration
 - e. Gou' wil dal laloluwuk'l Cultural Department
 - f. Shawir Darrudaluduk Health& Human Service Department
 - g. Hiwechk Fiscal Department
- IV. Adjournment

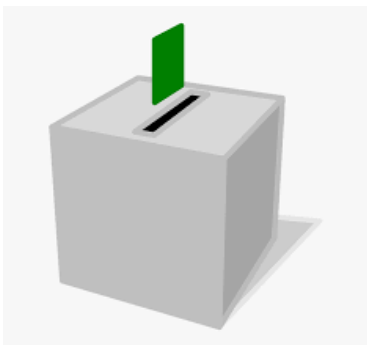

DUE TO THE FEDERAL EMERGENCY DUE TO COVID-19 PANDEMIC
THE WIYOT SEMI-ANNUAL MEETING HAS BEEN MODIFIED TO MEET THE
REQUIREMENTS OF THE COMMUNITY MITIGATION MEASURES AND SHELTER IN
PLACE ORDER

Friendly Reminder of the Wiyot Tribal Office is still closed to the public.

*The Tribal Office is still closed to the public due to the Global pandemic of COVID-19 we are asking the Community to make an **appointment** before coming to the Tribal Office. If you are needing to drop paperwork or application's off please use the mail, email or the drop box in front of the Tribal Office, this way we can limit physical contact and keep everyone safe.*

Please remember when dropping of documents such as DMV Tax exempt forms we need to see the original form for processing, you may contact the receptionist Vanessa at the Tribal Office 707-733-5055 for more information.

Also be mindful that you may not get forms back the same day as we may not have the appropriate person to sign the document. Please plan ahead! We Thank you for your understanding during these difficult times of COVID-19.

The Wiyot Tribal offices will be closed to the public

The Tribe has instituted community mitigation strategies to maintain critical infrastructure, prevent the introduction of COVID-19 into the local community and slow the spread of the virus.

The elder's congregate meal program will not operate, however the home delivered elders meal service will continue using additional sanitation, and social distancing protocols. Elders please call the Title VI program if you need assistance.

All meetings, social events, and classes will be post-poned or modified until further notice.

Just a friendly reminder to all enrolled tribal school age youth as well as college students the wiyot tribe still has a few chrome books available to those who are in need of them. Any questions feel free to contact vanessa and or hazel at the tribal office 707-733-5055 or by email hazel@wiyot.us or vanessar@wiyot.us. The cultural department would like to also remind parents and or guardians its about that time again for necklaces and sashes for our 8th grade graduates and high school graduates so if you have youth graduating from high school or 8th grade you can call hazel at 707-733-5055 ext 117 or email me at hazel@wiyot.us . we would like to get ahead start on necklaces and sashes so we can get them mailed out to the youth in a timely manner earlier the better.

Our culture is a living spirit that must continue to thrive. Our generation must carry on with the traditional ways and the stories from our elders and ancestors that have gone before us.

Departments

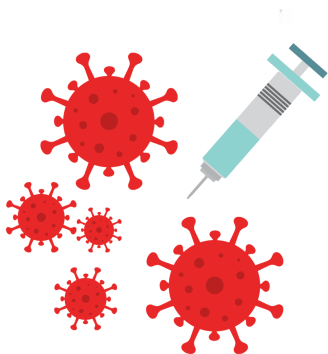

Tsek Houdaqh Youth Program

Tsek Houdaqh will be doing a small drive thru Halloween Party we will be handing out snacks and drinks as well as trick or treat buckets filled with treats and prizes for all youth. ***We are asking that all who attend please wear a mask and we will follow COVID 19 mitigation.*** Tsek Houdaqh as a lot of fun activities schedule for the month of October. The activity schedule will be included in this month's newsletter. If anyone as ideas of what they would like us to implement in our activity schedule for the youth feel free to email me at hazel@wiyot.us

JOM

Just a friendly reminder Now that school is back in session If your child/ children need assistance with homework. They can contact Margaret Card our JOM Coordinator at Tsek Houdaqh (707)733-5055 or at mcard@wiyot.us.

Loleta
Veggies, flowers,
eggs, meats, and oth-
er locally made goodies!. For More information
please contact Hannah Eisloeffel, Table Bluff Farm
LLC 707-890-6699

Did you move and forget to change your address? You can fax 707-733-5601 or email addresschange@wiyot.us This will help in getting your mail to you in a timely manner, if your address isn't up to date then this will slow your RSTF, newsletter and other important Tribal mail in getting to you. Please note there is a \$25.00 charge for a stop payment for RSTF checks, our policy has always been Tribal members need to wait 90 days from the date the checks were mailed out to reissue another RSTF check. It is very important to keep an updated address on file, you can call the Tribal Office to check your address 707-733-5055 or 800-388-7633
