

The Da'luk

WIYOT MOUL ASSOCIATION IS CURRENTLY ACCEPTING APPLICATION FOR OWNERSHIP OF A THREE BEDROOM TWO BATH SINGLE-FAMILY HOME

The WIYOT MOUL (HOUSING) Association is currently accepting applications to own a three-bedroom two bath home on the Reservation. To be considered all applications and income verification must be POSTMARKED no later than December 15, 2022 or delivered to the Tribal office by 4 pm on December 15, 2022.

WHO IS ELIGIBLE? An applicant must meet all of the following requirements at the time of application, be an enrolled member of the Wiyot Tribe; be at least 18 years of age or over as of the date of application for assignment; be without an assignment of Tribal land or similar land use right from this or any Indian tribe; provided, that an undivided ownership interest in a trust allotment obtained through inheritance shall not affect eligibility under this criteria; not have had a previous assignment canceled for cause within one year from the date of application. [Ord. 5-91 Art. VII, approved 3/11/91.].

WHO CAN BENEFIT? With certain limited exceptions, funds may be used to benefit only Indian families whose income does not exceed 80% of median income (defined to mean the greater of the median income for the Indian area, as determined by the Secretary of HUD, or the median income of the United States). The right of tribes to give preference to their own members in providing housing assistance is expressly recognized in NAHASDA.

FY 2022 Income Limits Summary

Selecting any of the buttons labeled "Click for More Detail" will display detailed calculation steps for each of the various parameters.

FY 2022 Income Limit Area	Median Family Income Click for More Detail	FY 2022 Income Limit Category	Persons in Family							
			1	2	3	4	5	6	7	8
Humboldt County, CA	\$79,700	Very Low (50%) Income Limits (\$) Click for More Detail	27,300	31,200	35,100	38,950	42,100	45,200	48,300	51,450
		Extremely Low Income Limits (\$)* Click for More Detail	16,350	18,700	23,030	27,750	32,470	37,190	41,910	46,630
		Low (80%) Income Limits (\$) Click for More Detail	43,650	49,850	56,100	62,300	67,300	72,300	77,300	82,250

* The FY 2014 Consolidated Appropriations Act changed the definition of extremely low-income to be the greater of 30/50ths (60 percent) of the Section 8 very low-income limit or the poverty guideline as established by the Department of Health and Human Services (HHS), provided that this amount is not greater than the Section 8 50% very low-income limit. Consequently, the extremely low income limits may equal the very low (50%) income limits.

Income Limit areas are based on FY 2022 Fair Market Rent (FMR) areas. For information on FMRs, please see our associated FY 2022 [Fair Market Rent documentation system](#).

The chosen application will require background checks for all adult household members to screen out state registered lifetime sex offenders this has been a requirement by statutory law since June 25, 2001. This requirement was announced in HUD Notice 02-22, released on October 29, 2002. HUD Notice H 2012-11, issued by HUD on June 11, 2012, re-confirmed that applicants subject to a lifetime state sex offender registration requirement cannot be admitted to federal housing programs. It also requires immediate eviction of tenants who were admitted in error (i.e., management did not identify that they were on offender registries, beginning June 25, 2001). Once selected the applicant will be required to complete homeowner training.

RESPONSIBILITIES OF THE HOMEOWNER: The homeowner shall be responsible for all maintenance of the home, including all repairs and replacements (including normal wear and tear those necessitated by damage from any cause). If outside workman or contractors are needed to make necessary repairs, it shall be the responsibility of the homeowner to obtain their services. Adequate homeowners' insurance (fire and property damage) will be carried at the homeowner's own expense and the homeowner shall provide to the TRIBE a certification of said insurance prior to taking possession of the new home. A separate statement acknowledging the requirement for homeowners' insurance shall be signed by the homeowner.

PENALTIES FOR HOMEOWNER VIOLATIONS: Penalties for violation of the agreement shall include Repayment by the Homeowner of the cost to build the home. If violation occurs within 0 to 10 years of initial occupancy, the full amount of the grant must be repaid. If violation occurs within 11 to 20 years of initial occupancy, 90% of the original amount must be repaid. After 20 years of initial occupancy, no repayment.

Cancellation of the Homeowners tribal assignment, which, subject to Sect. 5.2 of the Assignment Ordinance, could result in forfeiture of the home constructed thereon for reassignment to another eligible grantee. Imposition of punitive actions by the Tribal Council, such as withdrawal of eligibility to participate in tribal programs and privileges.

HOW WILL THE APPLICATIONS BE SELECTED? The MOUL Association will review applications submitted by the deadline that are complete all questions answered, and income verification documents are attached. Applicants that meet the eligibility/beneficiary requirements will be numbered. A lottery will be conducted, and the winning number will receive notification to complete the screenings required to move forward. Once the home is awarded, the new homeowner will be required to move in within 30 days.

Please remember to complete **ALL** questions and do not leave any areas blank. It is **CRITICAL** that all income verification documents are completed and submitted along with the application for all citizens 18 years of age or older. Incomplete applications will not be processed.

Furthermore, all applications and income verification must be **POSTMARKED** no later than December 15, 2022 or submitted in person at the Tribal Office before close of business at 4:00 P.M. on Thursday December 15, 2022.

Tsek Houdaqh Reopening

We are proud to announce the reopening of the Tsek Houdaqh (Where the Children Are At) Center on Monday, January 9th, 2023!

Our program will be open to all children who are:

- 0-18 years of age and potty trained,
- enrolled Wiyot tribal members, children of enrolled tribal members/staff employees, or who live within a 30-mile radius of the reservation.

Our Center will be open Monday through Friday from 8am to 6pm. During program hours, children will be able to participate in fun and engaging activities that promote the healthy development of their cognitive, social-emotional, language, and physical skills. It is our mission at the Tsek Houdaqh Center to provide all children with a safe and nurturing learning environment where they can connect with their culture and indigenous language.

During program hours children will also receive:

- Nutritious meals that are compliant with CACFP regulations (Afternoon Snack & Dinner),
- JOM Tutoring,
- Access to the Computer Lab,
- Culturally Relevant & Developmentally Appropriate Learning Activities,
- And MORE!!!

If you have any questions or would like to schedule a visit, please call Elizabeth Hernandez at (707) 733-5055 Ext. 117. We look forward to meeting you and your child!

See the next page for more info on enrolling your child in the Tsek Houdaqh Center.

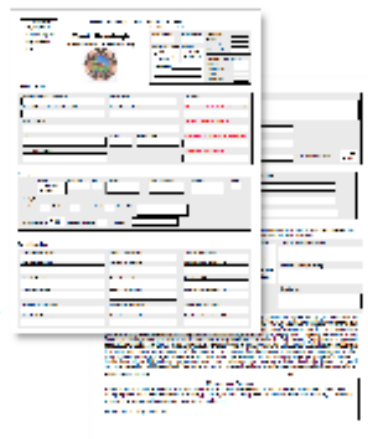

Gou'wil Da Lalouluwuk 'Taking Care of People'

Submitted By: Robert Pitts

Enrollment Information

All past/inactive Club members must complete a new member application in order to participate in Tsek Houdaqh Center activities. Even if your child attended the Tsek Houdaqh program during the 2021/2022 school year, we are asking that **all families submit a new application** to ensure that their listed address, contact information, and emergency contacts are up to date for 2023.

All applications must be completed and returned before your child may attend the Tsek Houdaqh Center. To access the a fillable PDF version of the Tsek Houdaqh Membership packet scan the QR code below. For a printed copy of the Tsek Houdaqh Membership packet, call Elizabeth Hernandez at (707) 733-5055 Ext. 117. Applications may be returned in-person, via mail, or to ehernandez@wiyot.us.

Meet Tsek Houdaqh's New Youth Program Manager

Ha' wa'lou! Rri'nuk Elizabeth Hernandez. I am excited to be joining the Gou'wil Da Lalouluwuk team as the new Youth Program Manager of Tsek Houdaqh. I have been in the early childhood education field for over six years now and have worked directly with native children for over five years. Along with my experience, I have two associate of science degrees from College of the Redwoods and I am finishing up my Bachelor of Science in Early Childhood Development from Southern Oregon University.

As a Wiyot tribal member and an early childhood professional, I am honored to be able to be working with the youngest members of our community and their families! I look forward to these coming weeks as we prepare our Center's for reopening!

COVID-19 Vaccination Incentive Program

The vaccine for COVID-19 has been deemed effective and vital to protect ourselves and our communities from this virus, and to end the pandemic.

To support the health of the Wiyot Tribe, we would like to thank you for getting your vaccination against COVID-19. Enrolled Citizens of the Tribe are eligible to receive up-to \$300 for getting vaccinated. See the incentive schedule below.

The Federal government continues to make vaccinations free of cost to everyone, and most health clinics and pharmacies are making it available. If you have any questions or concerns about the vaccination or the vaccination booster, consult your primary care physician or the Department of Public Health. Please follow the guidelines of the vaccinations and vaccination booster given to you by the health professional.

Understanding North Coast Ocean Acidification

Last week the Wiyot Tribe Natural Resources Department (WNRD) attended a two-day meeting convened by the California Current Acidification Network (C-CAN) which was sponsored by the National Ocean and Atmospheric Association (NOAA). This network was developed in 2010 from a shared concern among scientists, industry, tribes, and government agencies about changing levels of ocean acidity and dissolved oxygen levels.

Ocean acidification is directly linked to the amount of human generated carbon dioxide (CO₂) released into the atmosphere. The ocean is a sink for this atmospheric CO₂, meaning that it can absorb and store this gas. Unfortunately, the amount of CO₂ being stored in the ocean is having complex negative impacts on ocean chemistry and biology. This change has direct impacts on sea creatures that build shells, such as crabs, snails, and mussels. The increased acidity causes holes to form during the shell building process. The WNRD learned that these impacts are not well understood and that there is a need for more data collection on ocean chemistry and biology.

The North Coast is a data gap. This means that there is a lack of data collection and distribution. There is an opportunity to support the effort to better understand ocean acidification by collecting data in and around Wigi. Alex Harper, a researcher that hosted the meeting referred to our part of the coastline as a “refuge” due to the upwelling of deep cold water from offshore. If more data is collected in this region, it would be added to the research that is informing state and federal regulations on ocean acidification.

Why does this matter? Currently we don’t understand how ocean acidification is indirectly affecting other cultural resources like salmon, eels, sturgeons, and other fishes that spend some of their life in the ocean. The goal of the workshop was to initiate relationships between industries, tribes, researchers, and agencies in and around the Wiyot ancestral lands and waters. The Wiyot Tribe has an opportunity to fill the data gaps by working with these partners to better understand the impacts of ocean acidification on our coastline and provide input to state and federal decision-making surrounding this topic.

Wiyot Natural Resources Department (WNRD) Celebrate another Year of Environmental

As we roll into the shortest days of the year, it's a good time to give thanks and take stock of where we've been and what we've accomplished as well as the important work that lays ahead. The WNRD saw a large staff turnover this year, which brought in reinvigorated passion with new and experienced staff to carry on the environmental stewardship role of the WNRD. We have built the WNRD's fisheries capacity to restore the Wiyot's sacred and biologically rich watersheds by bringing on Dr. Bill Matsubu back in December 2021. Bill has done amazing work this year expanding efforts to benefit salmonids and lamprey through researching successful techniques of removing the invasive non-native predatory Sacramento pikeminnow in the South Fork Eel River. Bill helped to bring on Fisheries Technician's Marisa McGrew and Alex Juan, whose stellar work ethics helped bring success to the WNRD's NOAA Pacific Coastal Salmon Recovery Fund (PCSRF) project, by also securing addition awarded funds to build fisheries capacity in 2023 as well as securing funds through the U.S. Fish and Wildlife Service Tribal Wildlife Grant (TWG), which will allow the Tribe to pick back up on it's lamprey conservation work throughout ancestral watersheds. Bill and the Fisheries team have worked hard this year expanding our partnerships with the Bureau of Land Management (BLM), CDFW, and Cal Trout so that we can expand the Tribe's stewardship role across Wiyot Country. The WNRD also sampled the Wigi every month in 2022 for fish plankton to assess potential entrainment impacts from the proposed Nordic Aquafarms land-based fish farm, and will continue to monitor project plans. Other highlights this year include a successful WNRD proposal award through the Ocean Protection Council (OPC) Prop 1 Environmental Justice Program to reclaim 46 acres which includes the historic Wiyot village site of Mouralherwaqh near King Salmon at the base of Humboldt Hill (Wolf's House) and hosts over 13 acres of freshwater wetlands and pieces of majestic Sitka spruce forest, berry patches, Redwood manzanita, and even hazelnut thickets. We are excited to take on the next phase of the OPC grant which includes Wiyot citizen, staff, and students from Cal Poly Humboldt Native American Studies and Environmental Science programs who will work collaboratively at the Tribe's direction to develop an Eco-Cultural Restoration and Management Plan for the property. We were also excited this year to bring on the Wiyot's first Forest Resources Specialist, Zach Erickson, who will be focusing on the stewardship of the Mouralherwaqh forest. Some early identified goals include forest restoration and invasive species removal to remedy impacts from a partial timber harvest of the property in 2014, as well as enhancement of its wetland functions and culturally important plant populations. Please stay tuned for events and planning field trips to the property, which we will keep updated through the Wiyot website and WNRD Facebook and Instagram pages, as well as upcoming Community Advisory Committee (CAC) meetings, including the upcoming meeting on December 6th at 5:30 p.m. on zoom. Check the Wiyot website Meetings panel for zoom log in information and spread the word to others to encourage participation in planning for this exciting and beautiful new re-acquisition of Wiyot ancestral lands.

Shawir Darrudaluduk “We Belong to the Wilderness”

Submitted By: Adam Canter

Other annual highlights include participating in offshore wind engagement and advocating for Tribal Trust Resource protections, marine monitoring, and community benefits related to the proposed wind energy development in a 200 square mile area 21-29 miles off the Humboldt Coast. This will be a major on-shore development project as well that the WNRD will be keeping tabs on and working to mitigate impacts.

Our climate adaptation and resilience efforts continue as we work on Phase 1 of the Tribe’s Climate Change Adaptation Plan (CCAP), funded thru the OPC Prop 68 Coastal Resilience Program. To build the resilience at Table Bluff this fall we successfully installed backup generators at the lift station and well 2, and we rest assured to have Brian Mead as our Water Operator in Training, who will be taking over from veteran George Buckley, who has provided clean drinking water to TBR for decades. Stay tuned for how to participate in WNRD projects on this exciting year ahead. We at the WNRD are honored to serve the Wiyot and wish you all a Happy Winter solstice and healthy New Year in 2023. With peace and kindness, Rra’dutwas, Adam Canter, NRD Director, adam@wiyot.us

Figure 1. WNRD and contractors finish installation of propane back-up generator at TBR, helping the Reservation be more resilient to power grid failures.

Figure 2. Dr. Bill Matsubu and Forest Resources Specialist Zach Erickson discuss restoration and removal of invasive English ivy (Hedera helix) at Mouralherwaqh.

SHOP FORTUNA FOR THE HOLIDAYS

Spend \$200 in Fortuna between November 25 and
December 21 and enter to win up to

\$350 IN CASH PRIZES

1st Place: \$200 2nd Place: \$100 3rd Place: \$50

How to Enter

Include all of your receipts for goods and services from any Fortuna businesses, totaling \$200 or more, in a sealed envelope. Write your name, address, and telephone number on the front of the envelope. You may drop it off in the entry box located at **Fortuna City Hall** or **Cornerstone Realty** (1131 Main St). You may also drop it off at the Fortuna Chamber office (735 14th St). Earn one entry for every \$200 spent in Fortuna. Winners will be chosen at random on December 22 and notified by telephone.

IT PAYS TO SHOP FORTUNA!

Visit fortunachamber.com/shopfortuna for complete rules.

Da gou rou louwi' Cultural Center

Submitted By: Marnie Atkins

The Da gou rou louwi' Cultural Center Opened on Tuesday, October 11, 2022

What a great month it has been at the Da gou rou louwi' Cultural Center! We have had many visitors and private groups (e.g., school groups, governmental agencies representatives, community organizations) visiting the Center to view Wiyot cultural items, talk about them, our tribal history, activities, language, etc. It has been a wonderful opportunity to engage with our neighbors in the surrounding areas. We do not have set hours yet due to staff shortages (***please see the job description on the Tribe's website and apply if you are interested in working at the Cultural Center!***). Instead, we have a Facebook page that will have updated hours and/or notification of changes in open/closed hours posted on the page. Please visit for more information: <https://www.facebook.com/DGRGCC/>

The Cultural Center will be open for Arts Alive! on Saturday, December 3 from 6:00 p.m. – 9:00 p.m. We will have four (4) tables for Wiyot artisans and crafters. If you are interested in renting one of the four tables that will be available at the Cultural Center, please contact Marnie at the information below.

Also, continue to watch our monthly Newsletter for ongoing updates about programming that will be offered at the Cultural Center.

As a reminder, we will be following Covid protocols so please wear a mask and social distance as best you can. **Occupancy will cap at 24 people in the space at one time.**

For more information, contact Marnie Atkins at (707) 798-1949 or matkins@wiyot.us. The Da gou rou louwi' Cultural Center is located at 417 Second Street, Suite 101, Eureka.

Soulatluk Hou Gou Gou'wurruwisuqu'l **Rrulouk Ve Rridutgudaluqh (December), 2022**

Ha'wa'lou everyone!

SOULATLUK VIRTUAL LESSONS

Scan the QR code at right to check out our 13 (and counting) virtual Soulatluk lessons, with 330 views so far! **Hou'** to those of you who have watched, or even joined us live :D! **Lesson 13** reviews counting 1-5 (there is more counting in Lesson 3) with words for people (men, women, children) and **wayits** (dogs).

December lessons are planned for **Thursday 12/8** and **Wednesday 12/21** from 4-5 p.m. Get the Zoom link & check for updates at <http://www.wiyot.us/Search?searchPhrase=calendar>.

If you would like to participate in a Zoom lesson (live!), please let us know (lynnika@wiyot.us and/or matkins@wiyot.us) what vocabulary, phrases, and topics you would like to practice so that we can prepare to meet your needs.

Submitted By: Lynnika Butler

LANGUAGE GRANT UPDATES

WE STILL NEED WIYOT VOICES for our conversation book! We'd like to record them in a variety of voices of all ages & genders so that users can listen to the conversations that will be printed in the book. We can do this in person OR via Zoom 😊. If you are interested, we'll coach you on pronunciation, give you a credit in the book, and provide **hiwechk** (money: a small honorarium) for your time; we'll also edit out any hesitations or mistakes! **Please contact Lynnika** (lynnika@wiyot.us / 707-798-1949 x302).

As part of the ANA language curriculum development grant, Lynnika & Nina have been working on developing interactive Soulatluk mini-posters that can be hung in classrooms and homes, with text, images, and QR codes that link to audio for pronunciation practice. We will begin making these mini-posters available to download on the language page of the Tribe's website (<http://www.wiyot.us/157/Language>) in the coming weeks.

In the meantime, check out this small version of a mini-poster with language about the ocean & beach:

As always, please contact Lynnika if you have any questions about these or any other Soulatluk words and phrases!

Dishgamu “Love”

Dishgamu Humboldt Community Land Trust

Our work to acquire properties for natural resources, cultural restoration and conservation is also progressing, with a few projects moving through the acquisition stage. As these projects progress, we will be able to share more information on how you can get involved and help. In the meantime, rest assured that the growing Dishgamu Humboldt Community Land Trust staff are hard at work preparing to return ancestral land to tribal stewardship.

With more properties and projects being acquired our department has started to grow! We get to welcome our newest project manager Kristen Crooks and hope to post the next project manager position on the tribal homepage soon! If you are interested in working with Dishgamu Community Land trust or if you know someone that would be a good fit, please reach out or forward the job announcement. For other opportunities coming up see our specific ads below.

While the team at Dishgamu Humboldt CLT is growing, we are building our capacity in other ways too. The department has been awarded a grant to develop our 5-year plan, to create an action plan to implement it, to conduct outreach and to create graphic materials for us in outreach. These materials will help Dishgamu Community Land Trust staff collaborate with the community and collect data on what types of housing and where they want it developed. If you have ideas and opportunities for us, we invite you to contact us, or to see us at one of our tabling events.

Monthly Volunteer meetings

Monthly Volunteer Meet Ups have started! The first Friday of the month we present to the community what we are up to, and what volunteering opportunities we have for you. For now, the meetings are held online, but hopefully we will be able to do them hybrid in-person/online in the future. If you want to join us and hear more about what we are doing right now and how you can get more involved with Dishgamu CLT, please reach out to David Cobb at david@wiyot.us or 707-499-0819.

Looking for Tribal Artists!

We are still looking for Tribal Artists to help us visualize our Land Back work, creating art and designs for our outreach materials, reports, stickers and posters, homepage etc. This is a paid opportunity to spread your art and help the Tribe at the same time! If you are interested, please contact Morgan March (morgan@wiyot.us, 707-499-1391) for more details.

Dishgamu “Love”

Submitted By; Morgan March

Tribal Outreach Workers

We are looking to engage 2-3 Tribal members for some hourly work to represent Dishgamu Humboldt CLT at tabling events in the community! At the last two events Dishgamu staff has worked with community members to gather data and educate on what kind of housing development we do. Outreach workers will help “table” or run a game that is designed to engage community members and collect data. We will train you and pay for your time in training and in tabling. Contact Morgan March (morgan@wiyo.us, 707-499-1391) for more information and to show your interest in participating. The events will be from November 2022 to May 2023, and you don’t have to be able to come to all of them.

Upcoming Tabling session

We had a lovely time talking to you and running our interactive housing survey/game with you at the November Arts Alive! and the Holiday Luncheon in November. We will present the housing game and talk to the community about our affordable housing plans and activities at one event in December:

During Arts Alive! in Eureka we will be at the newly opened Da gou rou louwi' Cultural Center, at 417 2nd street on Saturday, December 3, 2022, from 6pm-9pm. Whether you are interested in helping table these events or you would like to participate, I hope we see some of you at our upcoming events.
