

## COVID-19 Vaccination Incentive Program

The vaccine for COVID-19 has been deemed effective and vital to protect ourselves and our communities from this virus, and to end the pandemic.

To support the health of the Wiyot Tribe, we would like to thank you for getting your vaccination against COVID-19. Enrolled Citizens of the Tribe are eligible to receive up-to \$400 for getting vaccinated. See the incentive schedule below.

The Federal government continues to make vaccinations free of cost to everyone, and most health clinics and pharmacies are making it available. If you have any questions or concerns about the vaccination or the vaccination booster, consult your primary care physician or the Department of Public Health. Please follow the guidelines of the vaccinations and vaccination booster given to you by the health professional.
