

2022/23 Winter Natural Disaster Support Application *provide from a Humboldt Area Foundation grant*

In response to the December 2022 Rio Dell earthquake and the California cyclone in January 2023, the Wiyot Tribe is pleased to provide support to our Citizens and their families that are not otherwise eligible to receive support from other low-income based programs. Most programs (NCIDC, county, state) available in our area are doing great work assisting vulnerable persons in the area. At the same time, we understand that others may need a little help to get through these difficult times.

Through the generous grant we received from HAF, we can help 40 Wiyot households who do not qualify for other low-income assistance, offering them a household total of \$125.00 to help with any impact from the December 2022 Rio Dell earthquake and/or the California cyclone in January 2023. Program ends when funds are depleted. To be eligible:

- 1) Be an enrolled Wiyot Citizen living in the household (only 1 application per household);
- 2) Have been impacted by the December 2022 Rio Dell earthquake and/or the California cyclone in January 2023;
- 3) Would not qualify for any low-income based program.
